

# **The BOX** A Play about Solitary Confinement

By Sarah Shourd Directed by Michael John Garcés

*American Friends Service Committee invites you to a theater party!*

AFSC will be one of the hosts of *community night* for this play. We hope you will join us for the play and the AFSC reception beforehand. The play is by one of the three Americans who were arrested by Iranian soldiers in 2009 while hiking. Shourd spent 410 days in solitary confinement as a political prisoner.
